TO WHOM IT MAY CONCERN

Re; Letter of recommendation for Parastoo Jafari for cooperation in the multi-family project Avesta

Please allow this letter to serve as a recommendation for Mrs. Parastoo Jafari, manager of Inspiration Interior Design company, for interior design services in the above prize winning project, located at 1629 Saint Georges av. North Vancouver.

I had the pleasure of working with Parastoo on this project for more than one year and for most of that time she was directly assisting the construction and application of her design at the job site.

Parastoo has a Ph.D and a master degree in architecture and has an extensive experience working with variety of construction systems and materials. She also has a creative mind and her ideas were used in the project for completion of the interior layout and parts of the elevations of the building.

Parastoo's attention to details, ability to understand the issues, flexibility, work ethics and can do attitude has resulted in delivering a quality work .

She can always use this project and its images as a reference for her successful work and we highly recommend her for any professional interior design projects.

I am pleased to provide a reference for Parastoo Jafari.

Sincerely,

Avesta Apartements at Saint Georges Ltd.
