TO WHOM IT MAY CONCERN

Re; Interior Design and Supervision services at House No 999, Fairmile road, West Vancouver

Please allow this letter to serve as our recommendation for Mrs. Parastoo Jafari, manager of Inspiration Design company, for interior design services in the above project, which is a high end 9000 S.F. Luxury house in West Vancouver.

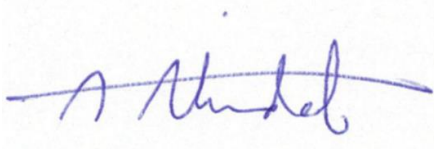

We had the pleasure of working with Parastoo on this project for more than one year and for most of that time she was directly assisting the construction and application of her design at the job site.

Paratoo's architectural education and training and her long years of international experience in building design, interior design and construction have served her as a great asset to be able to deliver precise construction documents and details directing the project successfully.

Her attention to details, ability to understand the issues, flexibility, work ethics and can-do attitude has resulted in delivering a quality work.

She can always use this project as a reference for her successful work and we highly recommend her for any professional interior design projects.

Sincerely,

Azadeh Alimadad
